“ *Charlie and family, I'm so sorry for your loss. You and your family are in our thoughts and prayers. Kay was such a sweet person. She was a hard working individual that loved her family and friends. I was blessed to have known her and to have worked with the entire family at the mill and in the fields. One of my favorite memories of Kay was watching her laugh at Charlie every time he would say to me "Don't sing to me Brad". She will be greatly missed. Trust in God for his Grace is sufficient. We Love you all.*
