Full of energy. Fiesty. Caring. Intrusive. Animal whisper. Humorous.

Unapologetically YOU. That's how I will forever see you Aunt Sandra. You

haven't been able to be your authentic self over these last couple years & that hurt to know, and even more so to watch. So as sad and heartbroken as it to have lost such a beautiful person, I'm happy for you. You're not suffering anymore. I love you always.
