“ *Uncle Skeet had the presence of an angel on earth. We were so fortunate to have his Godly spirit among us for so many years and his quiet fatherly presence. He touched so many lives with his love and grace. The outpouring of love our family has experienced from outsiders has been amazing and is a true testament to the man of God he was. He didn't just speak it, he truly lived it. He will be sorely missed, but we are thankful to God for the time we had with him and for blessing us with such a great human being. God broke the mold when he made you, Uncle Skeet. I love you and will see you again. Hold my spot for me.* 😊🙏

*Love, Laura*
