“ I guess one of my favorite memories of Steven, was about 25 years ago, when my daughter was 8. She had a huge crush on him. We had went to see the band play at a house party & she was standing close to him when the band finished with one of their songs. He turned & banged her upside the head with his guitar. She stood their dazed for a second & he said, "Oh my gosh are you okay? I'm sorry." She just wiped her eyes & said, "It's all right." After that we all knew that he couldn't do anything wrong in her eyes. He was an amazing man & I will miss him tremendously. Btw, the photo is 4 years ago this month.

“ You was one of the strongest men I’ve ever met. Very sensitive, very spontaneous, very funny, strong willed, tough warrior, huge caring heart, beautiful soul along with a handsome face, and surely could play the guitar like nobody’s business. I can say rest easy, fly high and save me a seat my friend. Much Love from one of your bestest friends, your RayRay.. “Ray of sunshine” you’ll always be Suga to me instead of Steven bc you were so sweet! I’ll miss you
