“ *Selina,*
You have been in our thoughts and on our hearts constantly since we heard the sad news about Steve. Claudette told me what good care you were taking of him as he battled his health issues—you have always been a great caregiver! Please let us know if we can help in any way. We love you!

“ *Our hearts are so broken for the entire family by this sudden departure of one so loved. He had a great sense of humor and we have all been blessed to know him. May your hearts be comforted in the certainty of the Resurrection and the blessings of the Atonement. Your family will all be reunited. May angels surround you until then! Lisa and Sparky*
