“ *I was so sorry to see that Teresa passed away. I just remember has a special person. I know I talked to Teresa when James was sick. She was always smiling and caring. Roger I remember James made a complaint about a teacher and Roger you went and observed that class. I got to know Joshua and Jacob and they were kind and sweet boys. I know Teresa is looking down form heaven with peace and no pain. She will look down from Heaven and will look down from peace and watch over her family. God blessed your family as God will bless her.*

“ *Teresa was such a wonderful lady with a huge heart! She was determined to find ways for people with special abilities to be treated equally and pushed them to their potential. She shared some of her gift and ideas with others to help contribute to make a difference in the world, every day! She is missed!*

“ *My sincere condolences to Teresa's family. I worked at Chattooga H S. with her. She was the greatest teacher, had a world of common sense & was so much fun to be around. I'm so sorry for your loss. She will be missed by a lot of folks.*
