“ *Hello to Tom's loved ones. This is a message from Kerry and Brian Kijewski in Ontario. We are a brother and sister who are blind and we have had a radio show for two years. Shortly after we started doing the show, Tom was in Ontario for a conference and we were lucky to have him come on Outlook. This part wasn't planned, but after the show, we three went back to my brother's apartment in London and Brian showed Tom his equipment. Tom ended up playing music and coming up with something that would work as our new theme song. He was brilliant to watch as he played with the sound until he got something he thought would work. It is our theme song to this day. It has a catchy, seventies vibe to it and we love it. We will never forget Tom, every time we hear that song, we'll think of him. RIP Tom and our deepest condolences to those he loved.*

“ Oh, how Mr Tommy Decker had a place in my heart. His free spirited personality and great sense of humor made him so easy to love. Not to mention his tender heart. He had love in his heart for everyone. It is a great pleasure to have known him. I enjoyed his excitement over his niece, Lessie, and her sporting events, the love of his family and Bama football. He has left an everlasting place in my heart. Love you Tom Tom ... Will miss you my dear, sweet man.
