“ *I knew Tim and his parents and his brothers and sister Missy back in the early to mid 70's. I loved them all, they were always very nice and kind to me.*

“ *Dearest Family,
I wish I was able to be with you today. My thoughts and prayers are with you all.
To Tim, As the tears flow down my face and my heart breaks; I know the LORD needed another Angel in Heaven.. I know you are no longer in pain. I will never forget you, your smile, your laugh, your voice or your touch. Go fly with the angels and may your spirit be free.
I am asking ~ Lord, comfort my family and me in our time of need.
In Jesus name, Amen! ~
Love you all,
Tammie and family*
