“ *I've known Travis for a few years through our motorcycle ministry. I was looking forward to that hug he always gave me on the Saturday he went home with the greeting "have I told you lately that I love you" that he always gave me. I'll wait a little while longer my brother when this temporary separation is complete. Prayers for Susan, the family and his brothers and sisters of Christian Calvary MM peace and comfort!*

“ Susan your husband was such a wonderful man. He came to our home with Melvin to do some work for us and he even furnished the lumber and wouldn't take a penny for it, the only thing he wanted was to have lunch with us! He said he would consider it a honor to share a meal with us! He was so wrong cause we considered it a honor to share this meal with him. Truly A MAN OF GOD. We love you. Richard and Judy Farmer

“ I remember Travis,...He was a Man of God as everyone knows...And a great one, And Travis was my friend one of my very best even though I only knew him a short while I'll tell you this. Having spoke with Travis I learned one thing, Jesus is your light in the darkest hour. I'm as sad as the next one. But I also rejoice in the thought that I'll see my friend once again. Hank Williams said, I saw the light...I say I saw Travis...To me its the same thing. Because Travis was the light that lit the way for so many. Shine on Brother. Your Friend...Samuel Adam Miller.
