“ *I didn't know her as anything but Tootsie. She was not blood related to me but I felt like she was my grandma . Anytime I'd see her out she would hug my neck and always ask me how I was doing. She will be missed . She was such a sweet sweet lady. I'll always remember her. To her loving family I'll be praying and hold on to God's hand . He will help you get through this tough time. God bless you all.*
