“ I am so sad to learn of Wendi's passing. I met her at. Freedom Bible study a few years ago. In 2020, she messaged me when she saw my sister in had passed. She felt they might have worked together and she was correct. This began a rekindling of a friendship. She was overjoyed when her twin grandkids were born. We didn't see each other but chatted often in Messenger. I am so sorry for the loss of your mother, grandmother and friend. Wendi was an amazing soul and I was blessed to have known her during this lifetime. Our pain, is Heaven's gain.
