“Peggy and I were friends for 80 Yrs. She grew up next door to my grandmother. We were classmates from 1945 until we graduated in 1957. We were 4 yrs. old the first time we played together and that led to mud-pies and all sorts of games in the 40's and 50's. I still have my marbles we played with and I remember I had to play "jacks" with her. She was like a member of my family and I loved her and will miss talking to her about ever two weeks for the last several years.
