“ *My wife and I have lived next door to Janice and Mike for several years. You could not ask for any better neighbors! The write up about Brother Mike in his obituary was accurate! There are some people that talk the talk but Fail to walk the wall. Brother Mike Lust, my neighbor, my friend and brother in Christ walked the walk; therefore, when he talked the talk, it really meant something! The Apostle James wrote: show me your faith without works, I'll show you my faith by my works! That's exactly how Brother Mike Lust lived his life all the years we lived next door to Them! My wife and I will greatly miss him! Sister Janice, you and the family are in our prayers . We love you! May the grace of God sustain you!*
